To obtain a challenging role in software testing where I can apply my skills in manual testing and foundational Selenium automation using Python. Proficient in testing web applications like OpenCart and familiar with core web technologies such as HTML, CSS, and JavaScript. Eager to contribute to quality assurance processes while expanding my expertise in automation frameworks and cloud-based testing using AWS. Known for strong problem-solving abilities, effective communication, and time management skills. Committed to delivering reliable and efficient software solutions through detailed test analysis and continuous learning.

Experience

Software Testing Practice (Self-Project)

Manual & Automation Testing | Jan 2025 – Present

- Performed manual testing on the OpenCart eCommerce platform, verifying **10+ core functionalities** including user registration, product search, cart, and checkout.
- Designed and executed **over 30 test cases**, identifying and reporting **15+ bugs** with detailed steps and reproducible scenarios.
- Practiced Selenium WebDriver using Python, automating **key UI flows** with **70–80% accuracy** during test runs.
- Simulated basic test environments and researched **AWS integration** for future scalability in automation.

Academic Project – Anomaly Detection in Financial Transactions

Final Year B.E. Project | Computer Science | Jan 2024 – May 2024

- Developed a system to detect unusual transaction patterns using rule-based logic and basic ML concepts.
- Worked on dataset preprocessing, feature extraction, and implemented basic evaluation metrics.
- Emphasized data accuracy, security, and usability in the application.

Technical skills

- **Testing:** Manual Testing, Test Case Design, Bug Reporting
- **Automation Tools:** Selenium with Python (Basic – Locators, Waits, Alerts, Popups)
- **Programming Languages:** Python, HTML, CSS, JavaScript
- **Soft Skills:** Problem-Solving, Time Management, Good Communication, Team Player.

Education

Vijaya Institute of Technology for Women – Guntur

Bachelor of Engineering in Computer Science and Engineering / May 2024

Percentage: 68.78%

Sri Chaitanya Junior Mahila Kalasala – Vijayawada

Intermediate / 2020

Percentage: 89.6%

Sri Chaitanya School – Guntur

SSC / 2018

CGPA: 9.7

Declaration

I hereby declare that the information provided above is true to the best of my knowledge and belief. I take full responsibility for the accuracy of the details mentioned in this resume.
